Barrel Organ components located in Cleveland, Ohio

General notes.

There are approximately 102 wooden pipes and 14 reed pipes.

Included are 4 pinned barrels, one not in a case, one in a case and two in a case.

The base has dimensions of 48 $\frac{3}{4}$ in. high, 19 $\frac{1}{2}$ in. deep and 32 $\frac{1}{2}$ in. wide

The other frame is 47 in. high by 33 in. wide and 19 in. deep.

The base with wheels is 33 in. by 19 $\frac{1}{2}$ in.

The photos are JPEG format straight from the camera. The list is as follows:

IMG_8037 – Photo of the bottom on the pipe chest with writing which makes reference to United States and a date of 4 October 188? #1266 shows in a box. Some of the writing is faded.

IMG_8042 – Photo of pipes

IMG_8074 – Photo of all of the “Pieces and Parts”

If other photos are needed, please advise.

New owner is to take ALL of the parts of the barrel organ.

Additional information. Date and time for removal can be flexible long as the individual needed to access the location would be available. The storage location is within close proximity of Progressive Field, home of the Cleveland Indians. When they play at home, parking is at a premium. Check for home game dates, especially day games.

Please note. Friday, July 19 and Saturday, July 20th not available for parts removal as there is another event at the storage location.

The dimensions of the housing/frame units are listed above and can be used to determine the type of vehicle/trailer needed.
