Paper: Print on heavy high definition DIN A4 paper for printers. **Printing:** B/W printing allowed. Adjust printer settings so that strip width is 69 mm; **Cutting:** Cut carefully following the cut lines. Use cutter or guillotine for optimal cut. **Joining:** Join carefully the segments of the template by applying scotch tape on front and back sides. Use as many middle segments as you need. **Punching:** Punch after joining the segments of the template.
